THE UNIVERSAL CAR

Ford cars are an important factor in every rural community. They help the family enjoy life, bring the pleasures and advantages of the city within reach, and give practical service every day. Ford cars require a minimum of attention; any one can run and care for them. Two million owners the world over prove these qualities every day. We pledge Ford owners the reliable Ford service with genuine Ford parts and standard Ford prices. Touring Car \$360, Runabout \$345, Coupelet \$305, Town Car \$395, Sedan \$345—all f. o. b. Detroit. Plenty of Legislative Material

Hon. H. P. Hornby of Uvalde and Mr. A. J. Durham of Sabinal are both announced candidates for the Legislature from the 116th district. Hon. John T. Briscoe of Devine is being solicited by his friends to make the race. If these three gentlemen make the race the 116th district could lend at least two good representatives to less fortunate districts and still have a good and capable representative in either one of the three. We have seen no announcement from our present representative, Hon. J. F. Harris, as to whether he intends to retire at the end of his present term or whether he will stand for a third term. But at any rate, the 116th district is going to have plenty of good material to select from. F. D.

The Dallas Cotton Conference

Henry Bendele, assistant lecturer of State Farmers' Union, representing the Farmers' Union of Medina County, and the writer, as a member of the said Union and a representative of the State Department of Agriculture, were the only representatives from Medina County to attend the joint meeting of District Unions at Dallas, Sept. 20th, and the Cotton Conference the following day. Mr. Bendele was on the Resolutions Committee for the Union and spoke for the adoption of the committee's report at the evening session of the Union Thursday night. The Cotton Conference, which had been called jointly by the State Department, the Farmers' Union and the Retail Merchant's Association of Texas went on record as favoring a government guarantee of a minimum of 30 cents a pound for the present cotton crop and advised the holding of cotton for that price. Representatives from other cotton growing states were present and assured the conference of their sympathy with the purposes of the conference and their willingness to co-operate in its plans. Cotton advanced in price approximately \$25.00 per bale during the four days immediately preceding, during and following the conference, due, it is believed by well informed men, to the calling of the conference and its action in demanding a 30c minimum price. LOUIS CARLE

Supplement to The Hondo Anvil Herald, Sept. 29, 1917

Letter from the far Northwest.

Monroe, Wash., Sept. 14, 1917.

Dear friends—

I took a notion I would let you all hear from me again.

Well, the rainy season is starting here now, while down there you are enjoying the nice summer weather still. I am wishing myself back right now just for that reason.

The weather here is very changeable compared to the weather in Texas. One minute it rains, the next the sun shines and the next it clouds up again. So you see, it is different here than in Texas.

I am picking dew-berries now. I am making \$2.00 and sometimes more in a day. But they are awfully hard to pick as they have so many briars. My hands are so sore from picking. A person can't pick very long some days as it rains and then they have to quit. We have to stop every once in a while and pick the briars out of our fingers as it hurts too much to leave them in till evening; that takes up quite a lot of the time. And if some of us girls get rows close to each other we talk more than we pick, but when the boss comes along and hears us talk he puts us asunder so we can't talk any more.

The schools started up here on the fourth of September. My brother and sister like to go to school up here. They say the books are easier to learn than in Texas. If a child stays out of school here one day, or gets to school late, he will have to bring an excuse, and a good one too, and if he has no excuse he will have to stay in for a few hours. The grades in the public school go up to the eighth grade. When the children are past the eighth grade they get their diploma. Then the next year they start high school. They have to make four grades in high school.

The prices on some of the things are lowering a little up here now. Flour is \$2.90 for 49 pound sack, bacon 50c per lb., tomatoes 10c, coffee 25c, lard 50c, beefsteak 25c, and beans 15c. These are just a few of the things that I can remember. I hope the price will keep on lowering.

The saw mills are all closed here in Monroe and all around here in Washington. There is a gang of men camping and traveling around and trying to get all the men they can to go with them and join their union. They are called I. W. W. They go to strike on all the mills, and on other work too, and so everything is shut down. The mills are going to open Monday, Sept. 17th. The men will all be glad to go back to their work. The I. W. W. were trying to get an eight hour day. There are eight mills in Washington going on eight hours work per day, the rest all have ten hours, but higher wages. They get 40 cents more per day—that is the ones that have ten hours. The I. W. W. tryed to get higher wages for less work.

We see some of the Hondo boys are going to be a credit to Uncle Sam, but I sure do hope they will all return home safe after the war ends. Up here in Monroe we can see the soldier boys walking around, but my! they look stronger and walk straighter than they did before they left for the training camps.

We were just talking about the winter up here. We dread it already. I surely do hope this is our first and last winter in Washington. We are coming day morning.

back to dear old Texas as quick as we can, but when we do we will take you all by surprise. But maybe you will never see us any more as we might freeze this winter. Everybody tells us after we have been here for a year or two we will like it and would'nt want to go back; but believe me, we will want to. And we don't like the people up here as well as the people in Texas.

I wish some of you people down there in Texas would write to the Hondo Anvil Herald as we would be glad to see letters from Texas with all the news, how everything grows this year, etc. Will come to a close,

MATTIE NAEGLIN.

R. L. Mumme was here Monday and like all other people he is decidedly more cheerful since the recent rains but would like to see more.

Aug. Schreiber was in town Monday and was a caller at this office. His section was in the territory recently visited by the rain and his face is not as long as it was a month ago.

Mr. and Mrs. Horace M. King left last Saturday evening for San Antonio, en route to Georgetown, where Mr. King will enter the Southwestern University, he having determined to make the ministry his life work.

I will sell my Mitchell and Peter Schuttler wagons at the old price up to November 1st. Wagons have advanced in price about 25 per cent. Buy now and save money. Eugen Huesser. 9

P. M. Licklider left the later part of last week for Croker, Missouri, where he will, for the present at least, live on a farm recently acquired by his father, C. M. Licklider. Mrs. Licklider, Jr., will shortly join her husband at their Missouri home. Of course when they return to Texas, which of course is only a question of time, being from Missouri, they will "have to be shown."

Cliff Happenings.

Our school started Monday, Sept. 17, with Miss Lillian Peace of Batesville as teacher.

Messrs. Frank and Edmund Wurzbach, R. O. Winkler, and Raymond Schuchart autoed to San Antonio last Monday.

Lee Schuchart made several trips to San Antonio with his Ford truck recently, hauling some vealers, porkers and mutton to that market.

Mr. E. G. Haby and daughter, Miss Lenora, and son, Clarence, were at Cliff Saturday evening. Miss Lenora announced the occasion as sight seeing; ha! ha!

Several of this neighborhood attended the funeral in Castroville Saturday.

Mr. Mead, a mechanic employed by the Alamo Iron Works, was here a couple of days last week giving Raymond Schuchart instruction in running an Avery Tractor which C. Schuchart and sons bought of that company.

A crowd composed of Mr. and Mrs. E. B. Haegelin and little Doris, Mr. and Mrs. C. Schuchart, Mr. and Mrs. Ferd. Wurzbach and little Bernice, Mr. and Mrs. M. Schuchart and family; Misses Lillian Peace and Gladys Schuchart, Messrs. John Lebold, George Boehme and M. T. Schuchart, made an overland tour to Camp Travis to visit Medina County's drafted boys' new quarters Sunday afternoon.

HIGHEST Quality Award

to The Hondo Anvil Herald, Sept. 29, 1917

Mrs. A. U. Rothe Dead.

One of the saddest deaths that has ever occurred in the annals of Medina County, and one that inexpressibly shocked the people of this section, occurred at the ranch-home of Armin Rothe, some twelve miles north of D' Hanis, at 12:30 Monday, when Mrs. Rothe fell asleep from burns received some five hours previous.

Mrs. Rothe, who was alone at home at the time of the lamentable affair, was preparing to iron, and had placed fuel in the stove and poured coal oil out of a gallon-can on the fuel to start the fire burning. The oil coming in contact with some fire left in the stove from preparing the morning meal, caused the flame to flare up, igniting the oil in the can in the hands of Mrs. Rothe, causing an explosion which threw the oil over her, saturating her clothes. She rushed from the kitchen but on discovering that she was not afire returned to the kitchen to mop up oil from the floor to prevent it from becoming ignited from waste oil that was burning on the top of the stove. In some manner her clothing took fire, and before she could extinguish it she was so dreadfully burned that death relieved her of her suffering some five hours later.

Miss Lena Reily was born in D' Hanis some 31 years ago and grew to lovely young womanhood in that town and was universally esteemed for her many womanly virtues. She was married to Armin U. Rothe on May 26, 1909.

Some small Mexican children were the first to discover that Mrs. Rothe was afire and they ran to where a Mexican man was at work a short distance away, but before he could reach and render her assistance she was fatally burned. Mr. Rothe, who was away from home at the time on his daily duties, was immediately notified and medical assistance summoned, but despite everything that love and science could do, her soul took its flight to its God at the hour above stated.

She remained conscious up to the hour of her death and knew that the hand of the grim reaper could be stayed but a few short hours and directed what she desired should be done by those whom she left behind.

Besides her husband she is survived by her parents, Mr. and Mrs. Jack Reily of D' Hanis; five sisters, Mrs. Albert Nester, D' Hanis; Mrs. Herbert Smith of California, Mrs. Dr. Rahm of Taylor, Texas, and two single sisters, Misses Gertrude and Annie; three brothers, R. J. Reily of Hondo, Jacob Reily of D' Hanis and Paul Reily, a lieutenant in the United States army, now stationed at Nogales, Ariz.

Amid the tears of the people who had known and loved her throughout her entire life, her body was tenderly laid to rest in the catholic cemetery at D' Hanis at 4:30 Tuesday evening, Rev. Father Maas, officiating. The mound that covered her last resting place was completely hidden by wreaths and flowers, the silent tribute of the love and affections of life long friends and associates.

May a Merciful Heavenly Father console and comfort the bereaved family in their irreparable loss, is the prayer of our entire people.

C. M. Licklider went to San Antonio Friday.

Joe Huesser was a passenger to San Antonio Friday morning.

PRICE FIXED AT 30 CENTS.

Urging farmers to warehouse their cotton and hold it for a price to be fixed at 30 cents, Hons. E. R. Kone and Fletcher Davis of the State Department of Agriculture addressed a gathering of farmers and business men at the Business League room this afternoon. They spoke for the movement to hold cotton but which Mr. Kone said he would prefer to call a cotton selling movement. Preceding Mr. Kone, Mr. Davis showed from a lengthy array of statistics how sensitive the cotton market is to various reports and conditions. When there was being no effort made by speculators like Sully and others the price, he said, went down, and remained down. Various movements for increasing the price and protecting the farmer had, as pointed out by Mr. Davis, resulted in prices advancing.

Mr. Kone said the idea of the movement was to get the whole people of Texas behind it and that farmers had been taught that the people of the towns are not their friends. That is a mistake. They have found that they prosper as you prosper. The banker, the editor, the doctor, the merchant and the lawyer is your friend. Speaking especially of the banker and addressing the farmers he said, the banker is behind you if you will do your duty to yourself. Telling the farmers that he did not want them to not pay their debts but wanted them to be men, he advised them to put their cotton in the warehouse, take the certificate to the banker, get the money on it, pay your debts and hold your cotton for 30 cents, the price fixed by this movement. If the farmers and bankers will come together we can put the price up to 30 cents in thirty days, he declared with emphasis.—From Corsicana Daily Sun, Saturday Sept. 22nd.

Mr. and Mrs. Henry Vonfie were here Wednesday from Castroville.

Friday morning was decidedly wintry, the thermometer dropping to 50 degrees.

GAINED 12 POUNDS BY TAKING TANLAC

Dallas Man Recovers After Suffering for Fifteen Years.

"I have not only gotten rid of all my fifteen years of suffering by taking Tanlac, but I have actually gained twelve pounds in weight besides," said Hugh A. Long, 1820 North Pearl Street, Dallas, Tex., a few days ago. Mr. Long has been a contracting painter in Dallas for many years and his standing and influence in that city are too well known to require further comment.

"I was troubled with my stomach for fifteen years," he continued, "and I reckon I had about all the miserable feelings anybody ever did from indigestion. But I'm simply feeling fine since taking Tanlac and my friends are talking about how well I look. I was constipated all the time, frequently had severe headaches, and the past five years especially, my stomach has been so weak and out of order I couldn't digest what I would eat and I would actually belch up my food sour and undigested. I never dared eat vegetables, as much as I like them, and the gas on my stomach would rise up around my heart and make it difficult at times for me to breathe. I was extremely nervous, hardly ever got a good night's sleep and had a tired, languid feeling all the time. I tried everything in the line of medicines and spent three months at the mineral wells in Texas without any improvement. In fact, I kept losing weight and strength until my condition became alarming and it looked like there was nothing made that would help me.

"One day I picked up a Dallas paper and read an endorsement for Tanlac given by a lady in Atlanta, Georgia, who was affected as I was. That's how I got started on Tanlac, and I now feel like a brand-new man, out and out. I sleep sound as a dollar every night and get up in the mornings as fresh as a flower. My constipation and nervousness are gone and I never have any more headaches. I eat just anything I want now—vegetables and fruits—nothing is barred from my diet and everything agrees with me and my increase in weight shows the fine work Tanlac has done in correcting my troubles and building up my weak, run-down system. Yes, sir, those five bottles of Tanlac have done more for me than all the other treatment and medicines I ever took. In fact, nothing else ever did me any permanent good and I am writing my sister and brother to take Tanlac, for I am confident it will help them too. Many of my friends are taking it after seeing what it has done for me and if anybody don't believe this statement, all they have to do is to see or write me."

Tanlac is sold in Hondo by W. H. Windrow, in Devine by Lion Drug Store, in D'Hanis by Louis Carle, in LaCoste by Dickey Drug Co., and in Dunlay by Louis A. Haby.

Resolutions of Respect.

Whereas God in his wise provider has called from this life, our friend and sister, Mrs. E. M. JAMES, to her heavenly reward,

Resolved: That we deeply mourn her departure, and sincerely regret the loss of her faithful services as a member of our Lodge,

That we humbly bow in submission to the will of Him, who knoweth best and doeth all things well,

That in this hour of deep sorrow we extend to the bereaved family our sincere sympathy,

That a copy of these Resolutions be placed on the minutes of our Lodge, a copy furnished the Anvil Herald for publication, and a copy sent to the family.

WOMEN'S WOES.

Hondo Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Keeping the kidneys well has spared thousands of women much misery. Read of a remedy for kidney ills only that is endorsed by people in this locality.

Mrs. T. E. Gourley, 124 Drexel Ave, San Antonio, Texas, says: "The first kidney trouble I had was an ache in the small of my back. Every morning when I got up, I felt tired, for the night's rest didn't seem to benefit me at all. I had occasional headaches, too. Doan's Kidney Pills certainly gave me quick relief and I soon felt well again. I usually have a box of Doan's Kidney Pills in the house and whenever I have needed them, I have had fine relief."

Price 60¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gourley had. Foster-Milburn Co., Mgrs., Buffalo, N. Y.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excitable; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol.

Died.

Another one of Medina County's pioneer settlers has gone to his last reward. Mr. Jacob Haby Sr. departed this life at his home, at Haby Settlement, Thursday morning, Sept. 20, 1917, and was laid to rest at the Catholic Cemetery, after a Requiem Mass on Saturday morning, Rev. Father Heckman performing the last sad rites.

Deceased was born at Oberenzen, Alsace, Germany, October 16, 1833, and came to this country Sept. 16, 1844, and was happily married to Miss Caroline Beck on January 10, 1855. This union was blessed with seventeen children, nine sons, and eight daughters, of which eight sons, and six daughters survive. Deceased was a devout Christian, a dutiful husband, a loving father, and a kind and accommodating neighbor, esteemed and respected by all who came in contact with him. Besides his aged and grief-stricken wife and children, the deceased leaves sixty-two grand, and ten great grandchildren, and a very large number of other near and dear kith and kin to mourn his loss. A very large concourse of mourning relatives, and friends, escorted the remains to its last resting place. We join this entire community in sympathy with bereaved and grief-stricken ones. R. I. P.

Last week's rainfall here amounted to 1.10 inch, and the farmers are anxiously waiting for more, so they may plant oats for winter grazing.

Col. J. B. Wernette is visiting relatives and friends in the Alamo City.

Rev. Walter Kralik left Monday evening for Lavernia to attend a Lutheran Conference.

Claude Marty of San Antonio visited here Sunday.

HEALTHY CHILDREN come from healthy mothers. And mothers will certainly be healthy if they'll take Dr. Pierre's Favorite Prescription. Nothing can equal it in building up a woman's strength, in regulating and assisting all her natural functions, and in putting in perfect order every part of the female system. It lessens the pains and burdens, supports and strengthens weak, nursing mothers.

It's an invigorating, restorative tonic, a soothing and bracing nervine.

Mrs. BETTY FLEMING, of 1225 Clinton Avenue, Fort Worth, Texas, says:

"I had been in bed health and the doctor would get me up for a while. Two years ago I was in very bad health, had womanly trouble, and tried several different things, and at last I began taking Dr. Pierre's Favorite Prescription and took it. I weighed 175 pounds then. I only weighed 130. I praise your medicine to every suffering woman, and tell them the good it has done and does till to-day for me."

Gottlob Weihen was a San Antonio business visitor the first of the week.

Mr. Chas. Brown and family of Natalia, and Mrs. Arthur Holzhaus and children, of this place, were Alamo City visitors Monday.

Peruna eases the burden of the housekeeper by keeping away the danger of illness resulting from colds, coughs, and indigestion due to catarrhal condition. It speedily relieves and overcomes these.

Its tonic properties build up the strength of the physically weak and run down, and its use in convalescence, especially after grip, is remarkably beneficial.

KEEP IT ON HAND

The wise housekeeper has Peruna on hand for instant use even if catarrhal troubles do not call for its regular administration. A dose or two in time often prevents a long illness.

However, E. S. Rieber gave reports of the state institute at Austin.

Mr. Heinrich Scheile gave a few pointers in German on watermelons. It is a mighty good thing to receive instructions along this line before planting but Mr. Scheile didn't dare tell us how to eat them.

The election of officers for the ensuing year was held next. Those re-elected were:

President, E. S. Rieber.
Sec. and Treas., S. E. Rieber.
Entomologist and Plantologist, Aug. A. Sprott.

Others elected were Otto Sprott, Vice-President, Alex Marquis, O. P. Ross and H. Scheile, Executive Committee.

Great Faith in Chamberlain's Colic and Diarrhoea Remedy.

"Chamberlain's Colic and Diarrhoea Remedy was used by my father about a year ago when he had Diarrhoea. It relieved him immediately and by taking three doses he was absolutely cured. He has great faith in this remedy," writes Mrs. W. H. Williams, Stanley, N. Y.

In Memory of J. E. Miller.

Just at the time when we enjoyed the friendship of G. E. Miller, he was called away by death. His death certainly was a shock to all as he seemed to be always cheerful, kind and thoughtful.

During the time that he had lived at Upper Hondo he had made many friends and lost none. He was a Christian gentleman and seemed to be a kind and loving father. He was a great thinker especially on to-day's questions. My conversations with him proved that we had the same opinions on nearly all things except political questions. He respected the young and old and was a neighbor to all that were worthy of having one.

May his soul rest in peace.

Dark may the days be, mother and children.

Just now after father's death, But bright will they be even after then

When you and he again will have met.

A FRIEND.

Has a High Opinion of Chamberlain's Tablets.

"I have a high opinion of Chamberlain's Tablets for biliousness and as a laxative," writes Mrs. C. A. Barnes, Charleston, Ill. "I have never found anything so mild and pleasant to use. My brother has also used these tablets with satisfactory results."

Buys Victor Ranch.

San Antonio Express—E. N. Requa has just returned from trip to Uvalde County, where he closed up a sale to W. R. Swearingen, of this city, of the W. O. Victor Ranch on the Nueces River. It is a small ranch but valuable for Mr. Swearingen's purposes as he expects to stock it with cattle at once. Mr. Swearingen paid \$10 per acre for the land. Uvalde County has not had as much rain as it could utilize to advantage said Mr. Requa yesterday, but for years it has been one of the best grazing sections in the country west of San Antonio. The excellent range out there made it a favorite spot, when cattle were plentiful, for steer men to visit when they wanted either young or aged steers. Uvalde is coming back again for there are several herds of good cows out there which will give a good account of themselves next spring at calf-branding time.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. Cincinnati man tells how to shrivel up corns or calluses so they lift off with fingers.

Ouch! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezeone when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezeone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezeone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezeone him to order a small bottle for you.

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you should. Belching, sour stomach, bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the indigestion. Chamberlain's Tablets are also most excellent tonics. Sold everywhere at

CALOMEL IS MERCURY! IT SICKENS ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Bess's Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work!

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful right up and make you feel fine vigorous by morning. I want you back to the store and get your Dodson's Liver Tone because it is real medicine; entirely vegetable, there can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your liver to work and clean your bowels that sour bile and constipated which is clogging your system and you feel miserable. I guarantee a
